2019 Screen - Free Challenge

Dear Students,

I want to challenge you to be screen-free this summer. I hope you read, play outside, create, run, play and enjoy “real life.” This chart will help you recognize how many days you make the screen-free choice. This includes iPhones, iPads, computers and video game devices (seeing a movie will not count against you). Highlight those days and calculate your grand total at the end of summer. Bring it back on the first day of school for a prize!

With Hope,

Mrs. Gombert
