

GENEVA SCHOOL of BOERNE

2021 | 2022 Academic Profile

Geneva School of Boerne exists to provide a classical education from a biblical worldview, to equip students for a lifetime of learning, service and leadership to the glory of Jesus Christ.

SCHOOL AND COMMUNITY

Geneva School of Boerne is a classical and Christian private school serving approximately 700 students in grades K-12. Located on 51 beautiful acres in Boerne, just north of San Antonio in the Texas Hill Country, we provide a place for all students to be known, foster a small-town roll-up-your-sleeves style of family volunteerism to get things done and cultivate an outward-focused community that actively loves our neighbors both inside and outside the school. Geneva is a welcoming, tight-knit community of people who trust and invest in each other with grace and grit.

The school was formed in 1998 and began offering classes in 1999 to 13 students in kindergarten, first and third grades. The first senior class of 19 students graduated in May 2011 and we celebrated the eleventh graduating senior class in May 2021.

Admission to Geneva School of Boerne is selective. Decisions of admittance to the school are based on the candidate's academic record, teacher recommendations, standardized test scores, pre-admission assessments and student and family interviews. Geneva School of Boerne admits students of any race, color, physical ability, national or ethnic origin to all rights, privileges, programs and activities, generally accorded or made available to students at the school.

Of the faculty members serving in the Rhetoric School, 60 percent have advanced degrees. The average class size is 18 students.

ACCREDITATION AND AFFILIATION

Geneva School is accredited with the Southern Association of Colleges and Schools Council on Accreditation and School Improvement (SACS CASI), an accreditation division of AdvancED. Geneva School is also a member of the Association of Classical and Christian Schools (ACCS), the Society for Classical Learning (SCL) and the Southern Association of Schools and Colleges (SACS).

CLASSICAL AND CHRISTIAN

Our educators are dedicated to a Christ-centered worldview and to the Geneva mission, locking arms with parents to provide a rigorous and time-tested education. Our award-winning and accredited academics, athletics and arts programs uphold the classical ideal by teaching students to recognize what is good, true and beautiful in every endeavor. We teach from a Christ-centered worldview—everything students learn and do is evaluated according to the standard of God's word. Geneva graduates enter the world well-spoken and uniquely equipped to lead as servants, scholars, athletes and artists in their individual contexts.

THE GENEVA DISTINCTIVES

- Distinctly Christian
- Classical Ideals of Truth, Beauty and Goodness
- Deeply Invested Teachers
- Engaged Culture
- Committed to Excellence

STUDENT LIFE

Geneva School competes in the Texas Association of Private and Parochial Schools. The school has won the Henderson Cup, awarded to the overall state champion, nine out of the last 10 years. In 13 years of varsity level competition, the school has celebrated 29 state championships in athletics (cross country, football, volleyball, basketball, golf, tennis, cheer and track and field), and 10 state championships in academics and fine arts (instrumental music, orchestra, vocal music and art). Additionally, Geneva students have earned TAPPS Athlete or Fine Arts Student of the Year 10 times.

Students in grades 9-12 are assigned to one of four houses during their tenure at Geneva. The houses are Chaucer, Lewis, Milton and Sayers.

ACADEMIC PROGRAM

Given the high value placed on academics and the ability of the students, all core courses are taught at an Honors Level. Certain Advanced Level courses are given an additional point value weight and are indicated as such on the transcript.

Due to selective admissions, Geneva School does not rank its students. The school reports rank of the top 10 percent for the purpose of admission to Texas public universities.

Geneva School offers AP Biology, AP Chemistry, AP Physics 1, AP Calculus AB, AP Statistics, AP Music Theory, AP Spanish Language and Culture, AP Latin, AP Microeconomics, AP United States Government and Politics and AP Computer Science Principles. These courses are not available to students until their junior or senior years. The Geneva Scholars Program also offers Dual Credit English Courses in partnership with The University of Texas at San Antonio.

Below 65	F	0.0	0.0

SENIOR THESIS

In addition to fulfilling credit requirements, all Geneva seniors must also successfully complete their senior thesis in order to graduate. Briefly, what this entails is researching and writing a documented essay on a defensible scholarly thesis claim. Similar to a Master of Arts presentation and defense, this must also be memorized and delivered orally before an audience of faculty, students, parents and invited panelists. Upon completion of the oral presentation, the panelists question the presenter upon points that have been raised, whereupon the presenter demonstrates competency in fielding the questions by “thinking on his or her feet.”

The G.K. Chesterton Award is given to the student with the best overall senior thesis presentation each year.
