2022 GENEVA SUMMER ACADEMY

Track 1 - COMPLETED 3rd-5th Grade

110 Chocolate Factory

Join Charlie and our classmates as we dive deep into the delicious world of Willy Wonka! As we bite into Roald Dahl's tale, we will explore "scrumdiddlyumptious" crafts and games. We will design our own factory and try out some food-science experiments! Did I mention there will be CHOCOLATE? We will create some tasty treats on this adventure. Grab your golden ticket and sign up today!

Max enrollment: 20

Instructor: Kathy Dishongh

120 A Week At Hogwarts

If you've read Harry Potter (at least the first book) and wished you could experience what it's like to attend Hogwarts, then this camp is for you. The first novel of this beloved series will come alive as you discuss your favorite characters alongside other fans. Create your wand, choreograph a duel, and make "magical potions" all while competing to earn points for your house! Yes, we will play quidditch. Your week at Hogwarts will align with the first book of the series. (If you have not read the book, let us know and we will provide you a copy to read between the end of school and camp.) You can record your reading minutes on your summer reading log. We want YOU to attend Hogwarts this summer!

Max enrollment: 30

Instructor: Lauren Stoner

210 LEGO Robotics

Do you love LEGOS and want to take your brick building skills to the next level? Do you enjoy technology and figuring out how things work? Mrs. O'Brien is a certified LEGO instructor, so join her at LEGO robotics camp where you will work with friends to build, code, problem solve and explore. At camp we will build a new robot each day of the week. The coding and robotic options are limitless, and the last day of camp you will work together and have a robot building competition! You don't want to miss out on the fun! This camp qualifies for 650 summer math minutes.

Max enrollment: 25

Instructor: Amelia O'Brien

220 Super Slimy Camp

This is a week of ooey, gooey, stretchy, sparkly, messy fun! Join Mrs. Petty as we explore different slime recipes and learn about amazing and super-absorbent polymers.

Max enrollment: 20

Instructor: Vanessa Petty

2022 GENEVA SUMMER ACADEMY

Track 2 - COMPLETED K-2nd Grade

130 Munchy Math (Completed 1st-2nd grade)

Do you enjoy math? Do you enjoy yummy munchies? Do you want to earn 650 summer math minutes? If so, sign up for "Munchy Math!" We are going to have a super fun week using yummy munchies to reinforce math concepts.

Max enrollment: 25

Instructor: Mynette Drawe

135 LEGO Camp

All you need to bring is your imagination when you step into our LEGO camp! The possibilities are limitless! As students build and explore with LEGOS they will problem solve as well as fine tune mathematical, comprehension and fine motor skills. Your child will be sparking creativity while having a blast building. Campers will use Early Simple Machine kits to make four different working models. We will race our model cars and launch LEGO tires from our catapults after building them. Of course there will be time for free-building as well. LEGOS have never been this much fun! Designed for K-2nd but older campers are welcome. This camp qualifies for 650 summer math minutes.

Max enrollment: 25

Instructor: Amelia O'Brien

140 Wonderful Wonderland

Are you a curious camper? If so, join me for a weeklong adventure with Alice, as we journey to Wonderland. As we read Lewis Carroll's classic fairytale, we will enjoy crafts with the Cheshire Cat, games with the White Rabbit, (don't be late!) and even a tea party with the Mad Hatter! "Every adventure requires a first step." – Alice

Max enrollment: 20

Instructor: Kathy Dishongh

230 Princess Camp 2.0: The Adventure Continues

Hear ye! Hear ye! Calling all young ladies to come and learn what it means to be a true princess – a daughter of The King! We will enjoy a week of princess stories and relate them to the truth we find in God's Word, as well as participating in fun princess activities, games, and crafts. This will be like last summer's camp, but with new activities included. Whether this is your first Princess Camp, or you came last year, please come join us as the adventure continues!

Max enrollment: 16

Instructor: Pam Chesser

235 Super Slimy Camp Jr.

This is a week of ooey, gooey, stretchy, sparkly, messy FUN! Come join Mrs. Petty as we explore different slime recipes and learn about amazing and super-absorbent polymers.

Max enrollment: 20

Instructor: Vanessa Petty

240 Nature Science Camp

Come join us for some fun science adventures! We will be outside exploring nature and inside conducting science experiments – some of them edible! We'll also make fun crafts to take home. You don't want to miss out on the fun!

Max enrollment: 20

Instructors: Lori De Luna and Amy Gordon

2022 GENEVA SUMMER ACADEMY

Track 3 – Preschool through Incoming Kinder

150 Fine Motor Fun (Ages 4-6)

If you give a camper some scissors, he will probably want some paper! If this sounds like your child, then Fine Motor Camp is the place to be! Join us as we enjoy fine motor activities, art projects, and of course, snacks related to a different Laura Numeroff story each day.

Max. enrollment: 16
Instructor: Pam Chesser

160 Munchy Math Jr. (Ages 5- Incoming 1st Grade)

Do you enjoy math? Do you enjoy yummy munchies? Do you want to earn 650 summer math minutes? If so, sign up for "Munchy Math Jr!" We are going to have a super fun week using yummy munchies to reinforce math concepts.

Max enrollment: 25
Instructor: Mynette Drawe

165 Literature, Music, and Art – Oh, My! (Ages 4-6)

Drop your preschooler off for an afternoon of experiencing fun children's literature! We will read several books and enhance each one with songs and art projects to make them unforgettable. Our daily projects will be compiled into a large pocketbook, which will be taken home on the last day of camp. This class is sure to send your preschooler home with a smile on his or her face!

Max enrollment: 16
Instructor: Tonya Mowery

Rock Your Summer Reading (Incoming K-Prep or Kinder)

Do you want to get your incoming student excited about summer reading? Then come to our camp. We will read classics from our reading list, dress up as the characters to reenact stories, make art projects and count our pages towards summer reading logs.

Max. enrollment: 14
Instructors: Amy Gordon and Lori De Luna

260 P3: Praise and P.E. Play (Ages 4-6)

Send your eagle for a week of their most beloved P.E. games: scooter tag, human Pac Man, sprout ball, and more! Coach Mayfield will include a time of praise and worship along with a short devotional. Each day, we will read a story which can be included in your incoming Kindergarten reading log.

Max enrollment: 30
Instructor: Victoria Mayfield
