

# GENEVA SCHOOL *of* BOERNE

## WHAT MAKES GENEVA UNIQUE

Geneva School of Boerne is a K-12 private school that pursues doing all things with excellence to the glory of God. We provide a classical curriculum grounded in biblical truth and develop students who lead as servants, scholars, athletes and artists. Good manners, humility and grit are expected whether in the classroom or on the sports field. Our award-winning and accredited academics, athletics and fine arts programs uphold classical ideals by teaching students to evaluate everything according to the standard of God's word. We graduate classically trained servant leaders equipped to do hard things. Geneva is known by these three distinctives:

### **CLASSICAL AND CHRISTIAN EDUCATION**

The classical method provides a liberal arts education with an emphasis on truth, beauty and goodness. We teach from a Christ-centered worldview and graduate well-spoken students who have a firm understanding of their faith and are equipped to do hard things.

### **DEEPLY INVESTED EDUCATORS**

We are dedicated Christian educators who invest in the Geneva mission to provide a time-tested and rigorous education. We partner with parents to challenge and empower students by caring for the whole person as we pursue excellence in all things.

### **FAITHFUL AND SUPPORTIVE COMMUNITY**

Geneva is a community of people who are rooted in the hope of Jesus Christ and depend on His grace to actively love others with a spirit of humility and kindness. We value sacrifice and ownership as we serve together and seek to make a difference for the cause of Christ in this world.
