## LOGIC SCHOOL CULTURE

### RELATIONSHIP TO GOD

Worshipful people are being transformed daily by the renewal of their mind, body, and soul (Romans 12:1-2)

- Look down for trash (body), look out for others (mind), and so look up to God (soul)
- Stand, welcome and show hospitality to visitors who enter the classroom
- Shake hands and maintain eye contact when speaking to authorities

### RELATIONSHIP WITH OTHERS

Wise people know themselves in light of who God is, and thus treat other people the way they want to be treated (Matthew 7:12)

- Measure your *own* thoughts, words, and actions
- Wait patiently to be addressed before speaking
- Build each other up, don't cause others to stumble

### RELATIONSHIP TO SCHOOL

Wholehearted people do not operate according to selfish ambition or vain conceit but consider others as better than themselves (Philippians 2:3-4)

- Respect the classroom environment and the wisdom and learning that is happening there
- Remember to honor the spirit of the dress code and all school policies
- Relish in the lifelong pursuit of wisdom and knowledge as an end and not a means

**HONOR GOD** AT ALL TIMES, IN ALL PLACES  
**LOVE ONE ANOTHER** WITH MY WORDS, THROUGH MY ACTIONS  
**ACCEPT RESPONSIBILITY** IN SCHOLARSHIP, VIRTUE AND SERVICE
