GENEVA SCHOOL *of* BOERNE

JOGATHON 2022

Friday, October 21

The Jogathon is a beloved school community-wide event that inspires students to run for others and raise money so more students can experience a unique Geneva education. Since the Jogathon began in 2007, our community has raised \$2 million for the Geneva Financial Aid Fund through this event. Students secure donations with all proceeds benefitting financial aid for the 2023-2024 school year.

- Each grade level is challenged to fund five financial aid average gifts of \$4,000 for a grade level team goal of \$20,000! The school goal is \$300,000! Each student is encouraged to raise \$350 to help reach the school goal. Fun challenges and recognitions for grade level teams and individuals encourage students and families to have fun while serving others throughout the next three weeks.
- Students ask relatives, neighbors, church members and friends to sponsor them with flat rate donations.
- **Online giving** is fast and easy! The mother's email address was sent a welcome message on Thursday, September 29 with your student's weblink and login via Qgiv. You may also find your student's weblink at: **GENEVASCHOOLTX.ORG/JOGATHON.**
- Each student should return his own envelope for check and cash donations by **Wednesday, October 19.**
- During Jogathon students run, walk or jog for their allotted time around the competition field.
- Students and parents may purchase **Jogathon shirts** to support the Financial Aid Fund via ParentSquare and to wear on the day of Jogathon. Pre-order deadline is **Friday, October 7.**
