2023 GENEVA SUMMER ACADEMY

Track 1 - COMPLETED 3rd-5th Grade

110 LEGO Robotics

Do you love LEGOS and want to take your brick building skills to the next level? Do you enjoy technology and figuring out how things work? Mrs. O'Brien is a certified LEGO instructor, so join her at LEGO robotics camp where you will work with friends to build, code, problem solve and explore. At camp we will build a new robot each day of the week. The coding and robotic options are limitless, and the last day of camp you will work together and have a robot building competition! You don't want to miss out on the fun! This camp qualifies for 650 summer math minutes.

Max enrollment: 25
Instructor: Amelia O'Brien

115 Creative Cooking (Completed K-5th grade)

Crafts and cooking come together as we create recipe cards, decorate aprons, and put our cooking expertise to the test while creating tasty treats without an oven. Join us as we make cake pops, energy balls, trifles and more. Each day we will make two recipes and leave with some treats to enjoy along with a recipe card so you can recreate the delicious foods for your family.

Max enrollment: 25
Instructor: Jenna Palmer and Lori De Luna

120 Slime Champs

Become the expert in slime as we create a world of slime in a rainbow of colors and incredible textures.

Max enrollment: 20
Instructor: Vanessa Petty

125 Cat and Dog Art Camp

Calling all animal lovers! Get ready to create your favorite furry friend using many different medias. We will draw with pencils and pastels, paint, and create a collage. During Friday's session we will share snacks and host an art show.

Max enrollment: 15
Instructor: Danielle Patteson

210 Skating and Scootin'

Enjoy one week on wheels with Coach Mayfield! We will learn basic roller-skating techniques, play games and roll our way through lots of fun! Skates and helmet required.

Max enrollment: 25
Instructor: Victoria Mayfield

220 With A Flourish

We will make cards, learn some basic Italic calligraphy, choose a Scripture to write and address lovely envelopes to mail to loved ones (some with hot wax seals.) Moms are welcome!

Max enrollment: 15
Instructor: Beverly Johnson

2023 GENEVA SUMMER ACADEMY

Track 2 - COMPLETED K-2nd Grade

130 Slime Jr.

Come explore the science of slime as we create a world of slime in a rainbow of colors and incredible textures.

Max enrollment: 20
Instructor: Vanessa Petty

135 Fly Into Neverland (Completed 2nd-4th grade)

Come fly with us into the world of Neverland with Peter Pan, Captain Hook and the rest of the Darling children from J.M. Barrie's tale. We will read this classic fairytale, play games, craft, work on cursive, math facts and enjoy learning about the "boy who never grew up." This camp will count for reading and math minutes.

Max enrollment: 25
Instructors: Stacy Arnold and Nicole Svendsen

140 Princess Camp

Hear ye! Hear ye! Calling all young ladies to come and learn what it means to be a true princess – a daughter of The King! Camp will include Bible Study, games, crafts, and all kinds of sparkly fun!

Max enrollment: 20
Instructor: Pam Chesser

145 Chocolate Factory Fun (Completed 2nd-4th grade)

Dive into the world of Willy Wonka from Roald Dahl's tale where the snozberries taste like snozberries! We will read this classic tale while we practice cursive, math facts and play games. There may even be some tasty chocolate treats and a golden ticket at the end of camp. This camp will count for reading and math minutes.

Max enrollment: 25
Instructors: Stacy Arnold and Nicole Svendsen

230 Munchy Math (Completed 1st- 2nd grade)

Do you enjoy math and yummy munchies? Do you want to earn 650 summer math minutes? If so, sign up for "Munchy Math!" We are going to have a super fun week using yummy munchies to reinforce math concepts.

Max enrollment: 25
Instructors: Amy Gordon and Holly Williams

240 Printmaking

Ready to be creative? This week we will learn to make colorful prints with vegetables, rolling pins, rubber bands, Styrofoam, bubble wrap and more.

Max enrollment: 15
Instructor: Danielle Patteson

245 LEGO Camp

All you need to bring is your imagination when you step into our LEGO camp! The possibilities are limitless! As students build and explore with LEGOS, they will problem solve as well as fine tune mathematical, comprehension and fine motor skills. Your child will be sparking creativity while having a blast building. Campers will use Early Simple Machine kits to make four different working models. We will race our model cars and launch LEGO tires from our catapults after building them. Of course, there will be plenty of time for free-building as well. LEGOS have never been this much fun! Designed for K-2nd but other ages of campers are welcome. This camp qualifies for 650 summer math minutes.

Max enrollment: 25
