

GENEVA AT A GLANCE

MISSION STATEMENT

The Geneva School of Boerne exists to provide a classical education from a biblical worldview, to equip students for a lifetime of learning, service and leadership to the glory of Jesus Christ.

ABOUT US

Our educators are dedicated to a Christ-centered worldview and to the Geneva mission, locking arms with parents to provide a rigorous and time-tested education. Our award-winning and accredited academics, athletics and arts programs uphold the classical ideal by teaching students to recognize what is good, true and beautiful in every endeavor. We teach from a Christ-centered worldview—everything students learn and do is evaluated according to the standard of God’s word. Geneva graduates enter the world well-spoken and uniquely equipped to lead as servants, scholars, athletes and artists.

Located on beautiful acreage in Boerne, just north of San Antonio in the Texas Hill Country, we provide a place for all students to be known, foster a small-town roll-up-your-sleeves style of family volunteerism to get things done and cultivate an outward-focused community that actively loves our neighbors both inside and outside the school. Geneva is a welcoming, tight-knit community of people who trust and invest in each other with grace and grit.

The school was formed in 1998 and began offering classes in 1999 to 13 students in kindergarten, first and third grade. The first senior class of 19 students graduated in May 2011. Geneva currently serves 684 students in Kinder Prep through 12th Grade.

GENERAL
