2024 GENEVA SUMMER ACADEMY

Track 1- Preschool through Incoming Kinder

110 Wonder Garden

(Ages 4 Years-Completed 1st)

Join us as we explore the great outdoors with fun sensory activities, games, scavenger hunts, crafts and some water play. Please dress in clothes that can get wet and shoes made for exploring.

Max enrollment: 20

Instructors: Lori De Luna and Lindsey Spacek

120 Munchy Math Jr.

(Ages 5 - Incoming 1st Grade)

Do you enjoy math? Do you enjoy yummy munchies? Do you want to earn 650 summer math minutes? If so, sign up for "Munchy Math Jr.!" We are going to have a super fun week using yummy munchies to reinforce math concepts.

Max enrollment: 20

Instructors: Chris Carraway

125 Fine Motor Fun

(Ages 4-6)

If you give a camper some paper, he will probably want some scissors! If this sounds like your child, then Fine Motor Camp is the place to be! Join us as we enjoy fine motor activities, art projects, and snacks related to a different Laura Numeroff story each day.

Max. enrollment: 16

Instructor: Pam Chesser

210 Armor of God

(Ages 4-6)

We will use scooters, parachutes and all of the most beloved PE games as we read and learn Ephesians 6. We will dance, sing, craft and play games! Come join the fun!

Max enrollment: 30

Instructor: Victoria Mayfield

220 Rock Your Summer Reading

(Incoming K-Prep or Kinder)

Come and enjoy a camp full of exciting books, fun activities, goofy games and tasty treats. Let's rock your summer reading list in one fun week.

Max. enrollment: 25

Instructors: Amy Gordon and Lori De Luna

2024 GENEVA SUMMER ACADEMY

Track 2 - COMPLETED K-2nd Grade

130 LEGO Camp

All you need to bring is your imagination when you step into our LEGO camp! The possibilities are limitless! As students build and explore with LEGOS, they will problem solve as well as fine tune mathematical, comprehension and fine motor skills. Your child will be sparking creativity while having a blast building. Campers will use Early Simple Machine kits to make four different working models. We will race our model cars and launch LEGO tires from our catapults after building them. Of course, there will be plenty of time for free-building as well. LEGOS have never been this much fun! Designed for K-2nd but other ages of campers are welcome. This camp qualifies for 650 summer math minutes.

Max enrollment: 25
Instructor: Amelia O'Brien

140 American Girl Doll and Friends (Completed K-5th Grade)

Enjoy a girls day out with your best doll friend! Come create matching accessories, enjoy a tea party, a lounge day, spa day and so much more! Get ready to sparkle with your best friend!

*Girls need to bring any brand of 18" doll to camp

Max enrollment: 30
Instructor: Lindsey Spacek

145 Slime Jr.

Join us for a week of ooey, gooey, stretchy, sparkly, messy fun! We will create different slime recipes as we learn the science behind this amazing polymer. This camp qualifies for 300 math minutes.

Max enrollment: 25
Instructor: Vanessa Petty

230 Munchy Math (Completed 1st- 2nd grade)

Do you enjoy math and yummy munchies? Do you want to earn 650 summer math minutes? If so, sign up for "Munchy Math!" We are going to have a super fun week using yummy munchies to reinforce math concepts.

Max enrollment: 20
Instructor: Chris Carraway

235 Creative Baking (Completed K-Prep -5th grade)

Join us as we have a marvelous time measuring, mixing and microwaving tasty treats in mugs and bowls. We'll cook up some fun and add up those math minutes!

Max enrollment: 25
Instructors: Lori De Luna and Amy Gordon

240 Around The World With Books

Join us as we jump on our magic carpets for reading adventures all over the world! Students will visit a different country each day learning the geography, history, and culture of each place through books, food, crafts, games, art, music and more. Each day will include a significant read aloud time that will count toward summer reading minutes. A travel journal will be the students' to keep at the end of the week. Don't miss this exciting week full of learning and wonder at the amazing world God made.

Max enrollment: 15
Instructor: Cindy Young

245 Princess Camp

Hear ye! Hear ye! Calling all young ladies to come and learn what it means to be a true princess – a daughter of The King! We will read princess stories and relate them to truths we find in God's Word, do arts and crafts and have all sorts of sparkly fun!

Max enrollment: 20
Instructor: Pam Chesser

2024 GENEVA SUMMER ACADEMY

Track 3 – COMPLETED 3rd-5th

150 Beginning Hand Sewing

Students will learn hand sewing in this camp! We will learn how to sew on buttons, learn various hand stitches, and how to use a pattern! We will complete some fun projects such as a button pouch, pillow and key chain!

Max enrollment: 18
Instructor: Holly Williams

155 Slime Specialists

Become an expert in slime as we create a world of slime in a rainbow of colors. As we explore the fun science of polymers, we will discover the chemistry behind this amazing material. This camp qualifies for 500 math minutes.

Max. Enrollment: 25
Instructor: Vanessa Petty

160 LEGO Robotics

Do you love LEGOS and want to take your brick building skills to the next level? Do you enjoy technology and figuring out how things work? Mrs. O'Brien is a certified LEGO instructor, so join her at LEGO robotics camp where you will work with friends to build, code, problem solve and explore. At camp we will build a new robot each day of the week. The coding and robotic options are limitless, and the last day of camp you will work together and have a robot building competition! You don't want to miss out on the fun! This camp qualifies for 650 summer math minutes.

Max enrollment: 25
Instructor: Amelia O'Brien

165 Skating Camp

Bring your rollerskates and helmet for a week of roller fun! We will learn everything from the basics to spins and backwards skating!

Max enrollment: 20
Instructor: Victoria Mayfield

250 Beginning Embroidery

Students will learn hand embroidery! We will learn a variety of embroidery stitches and practice them in a stitch book. We will then use what we have learned to create a beautiful wildflower embroidery project!

Max enrollment: 18
Instructor: Holly Williams

255 Field Day Adventure

Fun in the sun and peace in the shade, this camp will be unforgettable in so many ways! Students, get ready for all things field day FUN! In addition to the field day games and relays, there will be an optional watermelon eating contest, water balloon toss, creative card decorating and stationary setup, kite flying and more. Math riddles, a paper airplane competition and math facts Bingo will also be included. Prizes and yummy treats will be included in the fun! Students will earn math minutes for this camp.

Max enrollment: 24
Instructor: Melissa Srp

260 Science With Newton

Come explore Newton's three laws of motion as we build an advanced catapult, stomp rocket and a hovercraft.

Max enrollment: 20
Instructor: Vanessa Petty

265 Board Game Bonanza

Get ready to use your imagination, creativity, and let collaboration fly at Board Game Bonanza! During this camp, students will work in groups to create their own unique board game. Each team will present their game and prizes will be awarded. On the last day of camp, students will play the games created by other teams. Daily recess, yummy treats and math minutes are sure to be included in the fun!

Max enrollment: 24
Instructor: Melissa Srp
