

## GENEVA SCHOOL of BOERNE 2025 SUMMER READING CHALLENGE

*“Reading should not be presented to children as a chore or duty.  
It should be offered to them as a precious gift.” Kate DiCamillo*

Our goal is to develop proficient readers who desire a vibrant reading life. Reading well requires time, experience and diligence. It is important to provide leisure time for children to be inspired to read during the summer. Invest in this challenge and saturate your home with books that are true, noble, right, pure, lovely, admirable, excellent, and praiseworthy (Philippians 4:8).

The purpose of summer reading is to continue exposing students, outside of school, to the classics - books that have stood the test of time. Students should read as many classic books as possible because they are 1) excellent in content and 2) the best tools for cultivating your child’s moral imagination. The Reading Lists and a Reading Log are posted on our school website. A sample of the reading log is below.

### READING LIST:
